- **Sound System:** Mono
- **Speaker diameter:** 2.5"
- **Volume Control:** rotary

### Accessories

- **Included Accessories:** User Manual, Warranty certificate, AC-DC Adapter

### Dimensions

- **Packaging dimensions (W x H x D):** 288 x 140 x 80 mm
- **Product dimensions (W x H x D):** 169 x 105 x 43 mm
- **Weight:** 0.4 kg
- **Weight incl. Packaging:** 0.55 kg

### Power

- **Battery type:** AAA / LR03 Alkaline
- **Battery voltage:** 1.5 V
- Mains power
- **Number of batteries:** 4

## Product highlights

### Digital tuning with presets

#### Gentle Wake

Start your day right by waking up gently to a gradually escalating alarm volume. Normal alarm sounds with a preset volume are either too low to wake you up or are so uncomfortably loud that you are rudely jolted awake. Choose to wake up to your favorite music, radio station or buzzer alarm. Gentle wake's alarm volume gradually increases from subtly low to reasonably high in order to gently rouse you.

### Large backlit LCD display

#### Radio-controlled clock

Radio-controlled clock automatically synchronizes with the local radio broadcast's standard time so you don't ever need to worry about checking for accuracy or making adjustments. Accurate time without latency is ensured daily or while the clock's power is on. Rest assured you'll always be punctual for every appointment!
